

CLINICAL CARE NAVIGATOR

Salary Range: \$97,965.24 - \$103,600.08
Hiring Range: \$97,965.24

As part of a five-year Center for Disease Control (CDC) Overdose to Action-Local (OD2A Local) grant, The Valley Regional Fire Authority has a unique opportunity for a (temporary/term limited) Clinical Care Navigator to perform patient linkage, retention, and re-engagement in medication of opioid use disorder (MOUD) care and harm reduction services.

ESSENTIAL FUNCTIONS:

- Works as part of a team to identify patients at risk for opioid overdose
- Provides education on overdose prevention and evidence-based treatment options
- Works to reduce barriers to patients' consistent engagement in MOUD treatment
- Reestablishes contact and reconnects patients to services when engagement declines or ceases through in-person outreach
- Works closely with community partners to ensure a cohesive, integrated, and streamline approach to care linkage
